

MARINE EMERGENCY REPAIR KITS

Description Required damage control locker inventory for the U.S. Coast Guard and the U.S. Navy. Syntho-Glass® provides a fast, reliable, and durable solution in emergencies. Each kit contains enough material to repair several leaks in hoses, onboard piping, and hydraulic lines, or make temporary repairs to mechanical equipment. In addition, Syntho-Plug will repair hull damage to ensure a safe trip home. Works with fiber-glass, steel, or aluminum boats, in freshwater, brackish water, or saltwater, and can be applied above or below the water line.

Typical Applications

- Water, fuel, or bilge pump leaks
- Fuel or water tank leaks
- Hull breaches or damage

Benefits

- Ready to use
- Heat resistant
- Effective, time-saving
- No mixing and no mess
- Sets rock hard
- Approved for potable water
